If you feel timid about surprising someone with a portrait of their kid(s), **GIFT CERTIFICATES** are also available to offer the gift of a portrait based on their preferences.

- All prices are in US dollars.
- Cost of shipping (and crating when applicable) is additional and will be calculated based on the size of the finished piece, destination and carrier.
- Products and reproductions derived from the commissioned artwork must be paid in full at the time of their order.
- Prices are subject to change without notice.

PAYMENT METHODS: We accept personal checks and money orders by mail [address?]. Or you can pay online by major credit card using PayPal. Just let us know, and we'll send you an invoice by email with a link to our secure PayPal account. PayPal will then guide you through the process online.

RETURN OF SUBMITTED MATERIALS: Photographs and other submitted materials will be returned to you upon completion of the portrait. When providing valuable originals, we recommend that you use a reliable carrier; we cannot be responsible for the loss of material in transit.

Process

1. Tell us what you're looking for and we'll answer any questions you may have.
2. Complete and send (via mail or fax) the order form along with a 50% deposit (please refer to Payment Methods above).
3. Select and send photographs that best express your child's character. They may show a typical pose or expression. Or portray them in their favorite outfits (princesses, knights, fairies and cowboys welcome!) and/or with their favorite toys.

Photographs should be no smaller than 4" x 6" and with the subject in focus whether in a digital or print format.

You may also submit some of your child's own drawings, hand/foot prints or pieces of fabric to be included in the collage. However, please keep in mind that not all the material submitted may be used in the artwork.

If convenient, I can also meet with your child to take some reference photographs and sketches; to get to know the "wild thing" within on a personal level. (Please note that there may be an additional charge for travel.)

4. Review one or two composition sketches online (or by fax, if you prefer) demonstrating the basic elements and images. Upon approval of the sketch, work on the final portrait begins.
5. Keep your eyes shut...it's a surprise.
6. Okay, open your eyes and check out the final artwork online. Now is the time to discuss any refinements.
7. Simply send the remaining payment upon receipt of the invoice and your child's portrait will be shipped.

Note: The best time to order high-end reproductions—which make excellent gifts for, say, grandparents—is while we still have the original artwork.
